NEW ROOF NO MESS! It's never been easier!

Why take the risk of hiring a contractor that does not have proper equipment?

Outdated roofing methods can cause damage to your property, leaving behind debris & destroying your landscaping.

Protection of your landscaping is assured with

Guyer & Son Roofing

I catch roofing debris before it lands on your landscaping!

Equipter "Roofers Buggy"

Wide tires prevent tracks in your lawn

Compact design allows it to go almost anywhere!

**It's Self-Propelled
No heavy trucks or dumpsters on your lawn!**

Roofing debris efficiently removed without any mess!

Its lid opens almost doubling the catch area!

The container can be lifted and extended back over flowers and shrubbery allowing tear-off material to fall directly into the container.
